

# GET YOURSELF TESTED!

## GONORRHEA SYMPTOMS

Most infected people have no symptoms.

### SOME PEOPLE EXPERIENCE:

- Painful/burning sensation when urinating
- Abnormal white, green, or yellowish vaginal or penile discharge
- Women may have abnormal vaginal bleeding
- Men may have painful or swollen testicles

MOST STDS ARE CURABLE

ALL ARE TREATABLE

## CONFIDENTIAL GONORRHEA TESTING at Jackson County Public Health

140 S. Holly St. in Medford  
Call **541-774-8209** to schedule an appointment.  
Other STD testing is also available.

**GYT**
